MEETING NOTES

Date:	July 11, 2023	Time:	9:00 am
Subject:	Livingston RSE	TDH Job No.:	B22-011

1. Project update:
Expected Work this Week: Concrete work, prep asphalt, cleanup and restoration.

Upcoming Work:

- Paving next week.
- City road work in Green Acres after Western has completed shoulder restoration

Action Items:

TD&H will upload connection plan to the project website. Note the DEQ form for connection is no longer required and neither is the \$100 fee.

TD&H will upload traffic control, construction schedule and weekly meeting notes to improvelivingston.com

Attachments:

Next week is the last progress meeting. TD&H and the City will continue to publish updates to this project through the project website, City Facebook, and emails from the City.
